To Whom It May Concern,

The Community Blueprint Development Foundation, Inc. (CBDF) is a unique nonprofit organization dedicated to promoting the well-being of youth, families, and communities through innovative initiatives.

CBDF believes that one way to fulfill its mission is by partnering with the Louise Watley Library at Southeast, located at 1463 Pryor Road, to seek donations of toys and clothing for children in need in neighboring communities during the holiday season and winter months. The library also collects new or gently used jackets and coats to help keep children warm during the colder months, when such items are essential.

Your donation can make a significant difference in a child's life. By contributing toys and clothing, you can bring joy to a child who might otherwise go without gifts or warm clothing this holiday season. We invite you to join CBDF and the Louise Watley Library at Southeast in our efforts to support the youth and families in need, demonstrating our shared commitment to positive change.

Finally, on December 17, 2024, Santa Claus will visit the library for a special storytime and to distribute gifts. Events like this have the power to bring joy and create lasting positive change, and we need your help to make them happen. Please consider supporting this joyful occasion and helping us make a difference.

Thank you for your generosity and support.

Kind regards,

Rev. Daniel Dickson
